Negro Suffrage...A Flank Movement ...The Chicage Times Leads off on Behalf of the Democracy. We invite general attention to an extraordinary editorial article which we publish to day from the Chicago Times, of future party necessity, in the most unequivocal terms. It reviews the result of the late elections, de-clares that the Administration is a failure, pronounces the Democracy abfailure, pronounces the Democracy absolved from its support, and proclaims that "negro suffrage is inevitable." There are but two remedies, it says, that will save the party; first, to cut loose from Andrew Johnson, and, next, to advocate negro suffrage. To this get people to believe it."

I have witnessed its effects on the young and the old, and I can truly say that it is far the best expectorant remedy with which I am acquainted. For Coughs and all the early stages of Lung complaints, I believe it to be a certain cure, and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of stal consumption? It causes the phlegm and matter to raise, without irritating those delicate organs (the Lungs), and without producing constipation of the bowels.
